

THE HEMISPHERES CONDOMINIUM ASSOCIATION INC.

Dear Residents,

We are currently in the process of updating our bicycle records. If you have a bicycle that is not registered, please stop by the office to do so.

All unregistered bicycles will be placed in a separate location for a period of **30 days** in order to give you enough time to properly register your bicycle. After this 30-day period, any unclaimed bicycle will be disposed of.

If you have any questions or concerns, please feel free to call the office at 954-457-9732.

We thank you in advance for your cooperation.
